

Helias Class of 2021 Project Graduation Parent Volunteer Form

Sunday, May 23, 2021, 9pm-4am

It is time to start planning for Project Gradation 2021 – a safe, chaperoned, substance-free, all-night event filled with games, food, entertainment and prizes. For over 25 years, Project Graduation has given our seniors a safe and memorable way to spend one last evening together...with your help, this year's event will be another great success.

Whether you've been through the experience of Project Graduation with older students, or whether you're a first timer, your help is needed. It takes hundreds of parents to prepare for this grand-scale event, and to supervise the fun on graduation night. This event is sponsored by the senior parents and not by Helias, so we need all senior parents to volunteer in some capacity, whether on the night of the event or ahead of time (helping decorate, get prizes, etc.)

Below is a list of committees which will be involved in the planning and preparations. Please select one or more committees you would be interested in helping with. If you are flexible, please select "Wherever Needed." If you have already signed up for a committee, please indicate your choice again so that we don't overlook anyone.
