

Helias Catholic High School **CAMPUS MINISTRY**

Helias Catholic High School Campus Ministry strives to support the faith formation of students, staff and the school community by providing opportunities that lead to a deeper awareness of the message of God's love and opportunities for worship, supporting the formation of a community of faith, and the promotion of service as a way of life.

MASS AND PRAYER

Mass is offered at 7:10 a.m. Tuesdays through Fridays and at 3:15 p.m. Wednesdays in St. Pius X Chapel. All-School Masses are celebrated monthly, and each student will attend Mass with their House once per semester.

The sacrament of Reconciliation is offered from 2:50-3:30 p.m. on Tuesdays. An All-School Day of Reconciliation is offered during Advent and Lent with Eucharistic Adoration.

Eucharistic Adoration is offered from 7-8 p.m. on Sunday evenings in the Chapel.

SERVICE OPPORTUNITIES

Every Helias Catholic student should complete 50 hours of service to nonprofit agencies (including schools and churches) by the end of first semester senior year. Verification of hours completed must be turned in at the end of each academic year.

Service hours may begin after eighth-grade graduation and will be tracked starting in August of the student's freshman year.

Students use MobileServe to record service hours. This database can be accessed via app or website, and login information will be given once students are registered.

For service hours to be approved, hours must be verified in one of the following ways:

- Email verification on MobileServe.
- Signature verification on MobileServe.
- Uploaded photo of paper signature on MobileServe.

Students who complete more than 100 service hours in one year or 500 hours over four years will receive special recognition.

Helias Catholic High School **CAMPUS MINISTRY**

RETREATS AND MISSION TRIPS

Each student will attend a yearly retreat.

Mission trip opportunities will be announced on the school website.

HOUSE SYSTEM

Helias Catholic's House system engages students in further opportunities to promote community, faith and scholarship.

Each student is assigned to one of six Houses as well as a single-gender, multi-grade Family consisting of one faculty member and approximately 20 students. Families meet weekly and provide an opportunity for community-building in a smaller setting. Houses, which consist of six Family groups, meet regularly for activities such as attending Mass together, working on service projects, faith-based discussions, and hearing from various guest speakers.

Students remain in the same Family and House all four years of high school, encouraging strong relationships to be built throughout their time at Helias Catholic.
